New Boston Police seize 57 marijuana plants

At approximately 08:00 am, on September 13, 2013, following a three-month investigation, the New Boston Police Department executed a search warrant on Thompson Lane in New Boston leading to the seizure of 57 marijuana plants and evidence related to an extensive marijuana grow operation.

Officers from the New Boston Police Department were assisted by members of the Drug Enforcement Administration Southern NH HIDTA team, the Hillsborough County Sheriffs Department and the NH State Police Narcotics Investigation Unit. The investigation is ongoing. Anyone with information can contact the New Boston Police Department at 487-2433.
